# About the Workshop

You are an effective Kaizen facilitator – aren't you? This workshop will give participants an opportunity to interact with the instructor and peers, gain/refresh knowledge about kaizen tools and techniques, share their kaizen experiences, and *teach back*, or demonstrate their understanding in small group settings. The participant will leave the workshop with tangible learning outcomes that can be used immediately.

# About the Instructor

**Denise Berry** is a Certified Six Sigma Black Belt with over fifteen years of Continuous Improvement experience. Denise has a degree in Industrial Engineering and has focused on project execution, leading Kaizen Events and training delivery. Her industry experience is vast and includes such companies as American Express, Cisco Systems, Capital One, Bank of America, U.S. Postal Service, Sherwin Williams, Sara Lee, Public Health, Universities and Colleges. Denise also facilitated ASQ's Black Belt Certification Exam Preparation Course.
